

Project Brief

Sandy City Freeway Beautification, I-15 at 10600 South

**2007 Legislative
Update**

Provided By:

Project Description: CONSTRUCTION, Enhancement, Local Government

This project is a local government partnership with Sandy City. The project is will enhance the eastern portion of the 10600 South interchange on I-15. The enhancements include additional landscaping, ornamental fencing, and additional cobble rock and gravel mulch areas. The existing irrigation system will be improved with additional valves and watering zones.
